

Groupe Partouche launches its online casino on the Swiss market: PASINO.CH

Paris, 17th November 2020, 07:00 am

PASINO.ch offers a wide range of innovative games in the three national Swiss languages and in English.

Groupe Partouche is expanding with PASINO.ch its range of products and thus strengthening its leadership in its business sector.

PASINO.ch was designed as an extension of the Casino du Lac Meyrin (Geneva). It invites players residing in Switzerland to discover its full range of online Casino games in real money, its slot machines and its universe of live table games with croupiers.

This online service regulated by the Swiss Federal Commission of Gambling Houses (CFMJ), intends to offer a unique experience, both through its premium customer service accessible 24/7 and through its innovative and secure environment.

PASINO.ch is the result of tailor-made positioning and development work, the objective of which is to provide an optimal range of games on the Swiss market.

For nearly 50 years, the Partouche Group, notably through the Meyrin Casino, has been a leisure benchmark, and more particularly in casinos. The Group operates 42 casinos, including 2 in Switzerland, a pledge of professionalism and reliability. PASINO.ch fully reflects all these inseparable values of a gaming establishment, both bricks-and-mortars and online.

Groupe Partouche was established in 1973 and has grown to become one of the market leaders in Europe in its business sector. Listed on the stock exchange, it operates casinos, a gaming club, hotels, restaurants, spas and golf courses. The Group operates 42 casinos and employs nearly 4,200 people. It is well known for innovating and testing the games of tomorrow, which allows it to be confident about its future, while aiming to strengthen its leading position and continue to enhance its profitability. Groupe Partouche was floated on the stock exchange in 1995, and is listed on Euronext Paris, Compartment
